

Effective Collaboration and Communication between Danish HQ and Your Chinese Subsidiary

PARTNER EVENT W. GRUNDFOS & C3 CONSULTING

Ever considered the lost ROI when communications go wrong?

We invite You to an interactive afternoon in the company of:

Kim Nøhr Skibsted, VP Corporate Communications from Grundfos and Annette Dahl, Managing Director & Senior Intercultural Trainer and Coach from C3 Consulting.

The discussion and presentations will touch upon:

2-way communications:

- *How to optimize conditions for intercultural communication for meetings, training sessions and workshops to be effective. We discuss both Virtual & Face2Face communications.*

Cost-perspective:

- *We consider what costs are associated when a communications strategy directed from HQ fails when implemented.*

An Integrative Approach to Organizational Strategy:

- *How do You benefit from lessons learned in China and implement that to the rest of Your global organization?*
